

## MENTORING IN A FLASH(CARD)

Oftentimes you don't have a lot of time to sit down with your daughter to have those conversations that you really want and need to have. Sometimes we find ourselves waiting for just the right moment and that moment doesn't seem to come. What if instead of having a list of "MUST HAVE" conversations with your daughter, you simply made the most of the time you do have with her and when a mentoring moment happens, you're ready. This is what mentoring in a flash is all about. Helping you to have some special moments in the margins of life that create a stronger relationship between you and your daughter that help build to those "MUST HAVE" conversations.

### TALKING TO THE STARS

(this coffee talk biblical truth is: We have a creator who knows us and cherishes us.

Put a blanket in the back of your car for just the right moment. When you are sensing a window moment (one of those times when your daughter is open to talk) grab a coke or coffee, and the blanket. On a starry night, take your daughter, the blanket, some starbucks, and make a moment under the stars come alive. Read aloud Isaiah 40:26-28 NLT.

**Look up into the heavens.**

**Who created all the stars?**

**He brings them out like an army, one after another,  
calling each by its name.**

**Because of his great power and incomparable strength,  
not a single one is missing.**

**O Jacob, how can you say the Lord does not see your troubles?**

**O Israel, how can you say God ignores your rights?**

**Have you never heard?**

**Have you never understood?**

**The Lord is the everlasting God,  
the Creator of all the earth.**

**He never grows weak or weary.**

**No one can measure the depths of his understanding.**

After you read it, say: Hey let's think of some pretend names that the stars could be called. What do you think that one might be named? (Scotty.) What if that one had your name? Call it out loud. Shout the names out loud and encourage creativity. Then remind your daughter that just like the stars, God knows her name. He knows what she's going through and wants to be involved in her life. Pray for each other under the stars and thank God for creating her.
